FORECASTING AND PLANNING REFERENCE GROUP (FPRG).

Subject:	Submissions to the 2017 NTNDP Consultation
Agenda Item:	3
Paper #:	Cover page 1.
Contact:	Matt Armitage (AEMO)
Date:	Tuesday 21 March 2017

1. EXECUTIVE SUMMARY

Item raised by:	AEMO
Rule requirement:	5.20.1 Preliminary Consultation
Link to National Objectives:	Consulting with stakeholder on the scope, inputs and assumptions for the 2017 NTNDP enables AEMO to develop an appropriate long term plan for the efficient development of the NEM transmission grid.
Previous forum discussion(s):	At the previous FPRG in February 2017 AEMO encouraged stakeholders to make a submission to the consultation for the 2017 NTNDP.
Purpose:	The deadline for submissions to the consultation process is 17 March. The purpose of this agenda item is to provide a high level summary of key points raised in the submissions received.
Link to documents:	Consultation paper for the 2017 NTNDP
