Acting Chief Executive Officer
Australian Energy Market Operator
GPO Box 2008
MELBOURNE VIC 3000

Dear Ms Olesnicky

Power of Choice Procedure Changes (Package 2)

Energex appreciates the opportunity to provide a submission on the Australian Energy Market Operator's (AEMO's) consultation on the second package of AEMO Procedures relating to the expanding competition in metering, embedded networks and meter replacement processes rule changes.

In response to this consultation, please find attached a completed Participant Response Template (**Attachment A**). This response provides Energex's recommendations for amendments where it is considered that further clarity or improvements to drafting is required.

Energex acknowledges the significant work undertaken to date by both AEMO and industry in drafting the proposed amendments to existing procedures and proposed new procedures to take into account the Power of Choice reforms commencing on 1 December 2017.

Energex looks forward to participating further in the Power of Choice program of work. If you have any questions in relation to this submission, please do not hesitate to contact Leigh Henderson, Acting Network Regulation Manager, on (07) 3664 4118.

Yours sincerely

Rheaver
