Gas day (D) is a 24 hour period from **Gas Day Commencement**

- **Trading window** defines when a product is listed on exchange
- For a tenor \leq Gas Day, D is the gas delivery day
- Weekly products end trading on the Friday prior to the first gas delivery day

Note: Trading Operations refer to a particular gas day D, including activities that occur before (D-) or after (D+) the gas day. The term D-1 refers to actions taken the day before the gas day with respect to gas day D.
