Gas day (D) is a 24 hour period from **Gas Day Commencement**

- *Trading window* defines when a product is listed on exchange

- All products are available for trading 7 days a week

- For a tenor ≤ Gas Day, D is the gas delivery day

- Weekly products end trading on the Friday prior to the first gas delivery day

- Monthly products end trading on D-2 prior to the first gas delivery day

- Pre-matched, non-netted trades can be executed 24 hours, 7 days per week for On The Day, Day Ahead and Daily products at the Wallumbilla and Moomba trading locations.

- For Pre-matched, non-netted Daily and Weekly trades, the Trading window is D-90 to D-2.

Note: Trading Operations refer to a particular gas day D, including activities that occur before (D-) or after (D+) the gas day. The term D-1 refers to actions taken the day before the gas day with respect to gas day D.
