

30 November 2022 Forecasting Reference Group Meeting

Energy.forecasting@aemo.com.au

Interacting in Webex

Raise hand – request to join discussion

Click the Raise hand icon to contribute to the current discussion.
You'll be unmuted when you're welcomed to join.
When finished, please lower your hand by clicking the icon again.

Chat function – share comments

Type your message and select from the *To* field:

- Individual – any person attending
- Everyone – please use selectively
- Host - only technical matters about Webex (example: my microphone is not working)

Q&A function – ask a question or raise discussion point

Select *All Cohosts* and type your discussion point in the field below.
Please standby while AEMO either writes a response or queues for discussion.

Please state your name and organisation when you start speaking

AEMO Competition Law - Meeting Protocol

AEMO is committed to complying with all applicable laws, including the Competition and Consumer Act 2010 (CCA). In any dealings with AEMO regarding proposed reforms or other initiatives, all participants agree to adhere to the CCA at all times and to comply with this Protocol. Participants must arrange for their representatives to be briefed on competition law risks and obligations.

Participants in AEMO discussions must:

- Ensure that discussions are limited to the matters contemplated by the agenda for the discussion
- Make independent and unilateral decisions about their commercial positions and approach in relation to the matters under discussion with AEMO
- Immediately and clearly raise an objection with AEMO or the Chair of the meeting if a matter is discussed that the participant is concerned may give rise to competition law risks or a breach of this Protocol

Participants in AEMO meetings must not discuss or agree on the following topics:

- Which customers they will supply or market to
- The price or other terms at which Participants will supply
- Bids or tenders, including the nature of a bid that a Participant intends to make or whether the Participant will participate in the bid
- Which suppliers Participants will acquire from (or the price or other terms on which they acquire goods or services)
- Refusing to supply a person or company access to any products, services or inputs they require

Under no circumstances must Participants share Competitively Sensitive Information. Competitively Sensitive Information means confidential information relating to a Participant which if disclosed to a competitor could affect its current or future commercial strategies, such as pricing information, customer terms and conditions, supply terms and conditions, sales, marketing or procurement strategies, product development, margins, costs, capacity or production planning.

AEMO Forum and Meeting Expectations

This charter explains expectations regarding participation and behaviour in the Australian Energy Market Operator (AEMO)'s stakeholder forums.

Meeting Expectations

All participants will:

- Respect the diversity of the group.
- Speak one at a time – refrain from interrupting others.
- Share the oxygen – ensure that all attendees who wish to have an opportunity to speak are afforded a chance to do so.
- Maintain a respectful stance towards all participants.
- Listen to others' points of view and try to understand others' interests.
- Share information openly, promptly, and respectfully.
- If requested to do so, hold questions to the end of each presentation.
- Remain flexible and open-minded, and actively listen and participate in meetings.
- Abide by COVID-Safe workplace guidelines, if attending a meeting on AEMO's premises.

Roles and Responsibilities

Forum stakeholders agree to:

- Be specific and fact-based in their feedback on a specific workstream or emerging issue;
- Review and provide feedback on papers and reports;
- Relay information to their colleagues or constituents after each meeting and gather information/feedback from their colleagues or constituents, as practicable, before each meeting;
- Maintain a focus on solutions or outcomes that benefit all energy consumers.

AEMO agrees to:

- Provide technical expertise in a manner that is considerate of the audience and their level of expertise;
- Assist participants in understanding issues enough to represent their views;
- Provide all participants the opportunity to voice their views.

DRAFT FRG Forward plan Jul – Nov 2022

Purpose Key

- Inform
- Consult
- Involve
- Collaborate

Announcements

1. Draft FRG Minutes:
 - 21 September 2022
 - 28 September 2022
 - 26 October 2022
2. The Draft 2023 IASR will be published on 16 December 2023, with written submissions open to ISP@aemo.com.au until 16 February 2023.
 - A webinar will be held in February to provide stakeholders the opportunity to ask any questions about the Draft IASR, before written submissions are made.
