INCLUSION OF Gerard Lighting ASTRO 1787 LED FLOOD 187W ASYM ON AEMO TABLE

Dear Darren,

Further to our previous discussions on the Gerard Lighting ASTRO 1787 LED FLOOD 187W ASYM luminaire for pedestrian crossings, we would like this luminaire to be included on the AEMO table.

Can you please arrange this and keep me informed of the progress?

Yours sincerely,

A handwritten signature in blue ink that reads 'John Brodie'.
