

# CALL FOR SUBMISSIONS ON PROCEDURE CHANGE PROPOSAL

Wholesale Electricity Market Rules – Clause 2.10

## AEPC\_2017\_08: NETWORK MODELLING DATA

**Date of Notice: 19 July 2017**

This notice informs all Rule Participants and interested parties (**Consulted Persons**) that AEMO has published a Procedure Change Proposal in respect of the new Power System Operating Procedure: Network modelling data (**Procedure**) and is conducting a consultation process on this proposal.

This consultation is being conducted in accordance with the Procedure Change Process detailed in clause 2.10 of the Wholesale Electricity Market Rules (WEM Rules).

### Matter under Consultation

The matters are related to clause 2.28.3A of the WEM Rules, which commenced on 1 July 2016 and which require AEMO System Management to develop a Power System Operation Procedure specifying:

- (a) Information that a Network Operator must provide to System Management, for each of its Networks.
- (b) The processes to be followed by a Network Operator to enable System Management to have access to the information.
- (c) Technical and communication criteria that a Network Operator must meet with respect to System Management’s ability to access the information.
- (d) The processes to be followed by System Management when accessing the information.

Further details are provided in the Procedure Change Proposal published with this notice. The proposed new Power System Operating Procedure is published with this notice and the Procedure Change Proposal.

### The Consultation Process

The consultation process is outlined below. Dates are indicative only and subject to change.

PROCESS STAGE	INDICATIVE DATE
Closing date for submissions in response to the Procedure Change Proposal	<b>16 August 2017</b>
Publication of Procedure Change Report	<b>12 October 2017</b>
Proposed commencement of new Power System Operating Procedure	<b>13 October 2017</b>

## **Invitation to Make Submissions**

AEMO invites written submissions on this Procedure Change Proposal, including any alternatives or additional proposals you consider that may improve the Procedure or better meet the Wholesale Market Objectives in section 122(2) of the Electricity Industry Act 2004 (and clause 1.2.1 of the WEM Rules).

Please identify any parts of your submission that you wish to remain confidential, and explain why. AEMO may still publish that information if it does not consider it to be confidential, but will consult with you before doing so.

## **Meetings**

In your submission, you may request a meeting with AEMO to discuss the Procedure Change Proposal, stating why you consider a meeting is necessary or desirable.

If appropriate, meetings may be held jointly with other Consulted Persons. Subject to confidentiality restrictions, AEMO will generally make details of matters discussed at a meeting available to other Consulted Persons, and may publish them.

## **Closing Date and Time**

Submissions in response to this Procedure Change Proposal must be emailed to [wa@aemo.com.au](mailto:wa@aemo.com.au), by 5.00 pm (AWST) on 16 August 2017.

All submissions must be forwarded in electronic format (both pdf and Word). Further, all emails relating to this Procedure Change Proposal must be entitled "AEPC\_2017\_08 Network modelling data - [Name of the submitting company or individual]". Submissions should use the Procedure Change Submission form available at:

<http://aemo.com.au/Electricity/Wholesale-Electricity-Market-WEM/Procedures/Procedure-changes>.

AEMO is not obliged to consider submissions received after the closing date and time. Any late submissions should explain the reason for delay and the detriment to you if AEMO does not consider your submission.

## **Publication**

All submissions will be published on AEMO's website, other than confidential content.
