Dear Sir/Madam

Letter of Support for Clip28 Sylvania 95W LED luminaire inclusion on the National Load Table

Sunshine Coast Regional Council fully supports the inclusion of the Clip28 series 95W LED Luminaire on the National Load Table.

Sunshine Coast Regional Council has the intention to use the Clip28 95W LED for the V category lighting on the Evans Street Upgrade Project on the Sunshine Coast. This product will also be considered for any future council projects.

Council requests the above products to be included on the National Electricity Market (NEM) load table through the Australian Energy Market Operator (AEMO) for use in projects throughout the Sunshine Coast.

Yours sincerely
