8.1.3		<p>UE is supportive of the quarters to be specified in the drafting of clause 2.2.5 but continues to support the quarters being Feb, May , August and Nov as opposed to Jan, April, July and Oct. UE is concerned that a retailer(s) may commence the reconciliation process on the 1st or 2nd of Jan and the DB would then need to respond 2 business days later. UE note that Ausgrid also proposed the Feb, May, August and Nov quarters ie taking the work out of times when the business may have limited resources to respond. The BMRG provided no indication that commencing the quarterly reconciliations in Feb vs Jan would be unacceptable. UE suggest the drafting be amended to Feb, May, August and Nov in clause 2.2.5.</p>
