

Notice to all Participants,

21 August 2015

## **Notice to Effective Date**

### **Gas Retail Market Procedures (VIC, QLD and SA)**

As required under Rule 135EE (5) of the National Gas Rules (NGR), this notice advises Gas Market Registered Participants that:

- Retail Market Procedures (VIC) ver 10
- Retail Market Procedures (QLD) ver 12
- Retail Market Procedures (SA) ver 8.0
- System Interface Definitions ver 3.5
- Process Flow Table of Transactions ver 3.4
- B2B System Interface Definitions ver 3.5
- Interface Control Document ver 4.5
- FRC B2B System Interface Definitions ver 3.9
- B2B Service Order Specifications (Part 2) ver 3.3
- Specification Pack Usage Guide ver 6.0
- Gas Interface Protocol (VIC) ver 18
- Gas Interface Protocol (QLD) ver 15

will be effective Monday 14 September 2015.

The changes incorporate the following amendments, previously approved by AEMO and notified to Gas Market Registered Participants:

- IN006/09 Service Order Response Changes
- IN012/11 Process to Identify Previous Financially Responsible Organisation (FRO)

The new version of the Procedures will also be published on the AEMO website ([www.aemo.com.au](http://www.aemo.com.au))

Should you require any further information please contact Danny McGowan on (03) 9609 8447.
