Scott Powell  
Sylvania Lighting Australasia  
Sylvania Way  
Lisarow NSW 2250

Dear Scott,

Ausgrid in the near future will begin to trial LED luminaires for category V roads. As such we have identified Sylvania's *SL10 Midi luminaire* to be a luminaire that would be suitable for this lighting category.

To introduce this luminaire into the public street light network in NSW, the device load for the luminaire must be included in the AEMO load table. Please confirm that you will move to initiate the inclusion of this luminaire in the load table and advise when it has been published in the load table.

Yours sincerely,

A handwritten signature in blue ink, appearing to be "John Bedding", with a long horizontal flourish extending to the right.
