

Reliability and Emergency Reserve Trader – Summer 2020-21

General Questions and Answers

<p>Respondents have queried clause 5.5 Spot Market Transactions of the RERT Panel Agreement, does the clause apply to all Reserve Providers or only scheduled generators.</p>	<p>Clause 5.5 of the RERT Agreement relates to capacity for which reserve providers or other parties, are entitled to spot market revenue. As load is not entitled to spot market revenue, the provision only applies to generators, not load. The provision is not restricted to scheduled generators.</p>
