Aldridge Traffic Systems Pty Ltd  
 31 Brisbane Street  
 Eltham VIC 3095

Dear Peter Cartwright,

### NOTIFICATION OF PRODUCT PERMISSION

In line with CitiPower/Powercor's goal of utilising innovative, quality and price competitive products, we wish to advise that we have recently completed a technical evaluation of your products listed in the table below. Based on the supporting documentation, we will permit use of them on the CitiPower/Powercor distribution network.

Please note that should you alter your products in any way, or change their part numbers, this permission will be void. In the event of a product or part number alteration, you should immediately notify CitiPower/Powercor in writing detailing the alterations, as further product review may need to be undertaken prior to renewing this notification. Please forward your notification to: Technical Standards Manager, Locked Bag 14090, Melbourne VIC 8001.

This notification will remain valid from the date of this letter with the following qualifications.

- CitiPower/Powercor may carry out an audit on your products during this period, the result of which may give CitiPower/Powercor cause to either void this notification or further extend it.
- CitiPower/Powercor also advises that this notification is in no way an endorsement of your products listed below and should not be represented as such to other distribution businesses, and/or customers.
- CitiPower/Powercor reserves the right to withdraw approval of your products as and when business reasons dictate.

With respect to this notification, CitiPower/Powercor does not accept any liability or responsibility whatsoever with the installation or use of your products. Also, by CitiPower/Powercor giving this notification, it does not, warrant or guarantee that:

- the individual installing your products is suitable and/or qualified to install your products on the CitiPower/Powercor distribution network;
- the manufacturer or distributor of your products has been approved to install your products on CitiPower/Powercor's distribution network; or
- the installation procedure used to install your permitted products is suitable for the CitiPower/Powercor distribution network.

Should you wish to discuss any matter further please feel free to contact Terry Spitalieri on 96834197.
