Dear David,

Re: Submission to include the Streetworx "OzLite LED23" decorative luminaire on the AEMO Load Tables.

AusNet Services supports the initiatives in LED street lighting and recognises the benefits for AusNet Services, Councils and users. Consequently, AusNet Services takes this opportunity to inform the AEMO that it intends to use the OzLite LED23 subject to technical approval, and supports its inclusion on the Unmetered Load Tables for Unmetered Connection Points.

- "OzLite LED23" Decorative Luminaire

Should you have any queries regarding this submission, please do not hesitate to contact the undersigned on 03-9679 4109.

Yours sincerely
Signed for and on behalf of AusNet Services
