INCLUSION OF ROADLED MIDI SERIES LUMINAIRES ON AEMO TABLE

Dear Darren,

Further to our previous discussions on the Sylvania Roadled Midi series of luminaires, we request that they be included on the AEMO table. The range of luminaires include the following, 60W, 80W, 100W, 120W, 140W and 150W.

Can you please arrange this and keep me informed of the progress?

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'John Brodie'.

John Brodie
Principal Engineer, Lighting and Energy
