Dear Tony

### **TMR LED Lighting Fleet**

The Queensland Department of Transport and Main Roads (TMR) looks for advancements in LED output to realise the benefits of reduced energy usage and costs and on road performance. The following light sources will be installed on TMR roads.

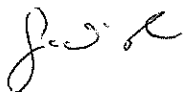

Aldridge Traffic System Vled Models:

V21675WT5N7PBP  
V216175WT5N7PBP  
V216265WT5N7PBP

To introduce these luminaires into the public lighting network in Queensland, the device load for the afore-mentioned luminaires must be included in the AEMO load table.

Please confirm that you will move to initiate the inclusion of the luminaires in the AEMO load table and advise when it has been published.

Yours sincerely

Greg O'Dea  
Principal Technician (Lighting)
