

9 September 2021

Mr. David Ripper  
Senior Metrology Engineer  
Australian Energy Market Operator  
Level 22, 530 Collins Street Melbourne VIC 3000

GPO Box 2008  
Melbourne VIC 3001

Dear David,

**RE: Submission to include the Streetworx "OzLite 13 LED" decorative luminaire on the AEMO Load Tables.**

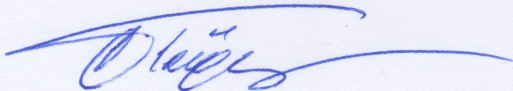

United Energy supports the initiatives in LED street lighting and recognises the benefits for United Energy, Councils and users. Consequently, United Energy takes this opportunity to inform the AEMO that it supports the inclusion of the following luminaire from Streetworx, to be included on the Unmetered Load Tables for Unmetered Connection Points.

- "OzLite 13 LED" Decorative Luminaire

Should you have any queries regarding this submission, please do not hesitate to contact the undersigned on 03-8846 9789.

Yours Sincerely,

Signed for and on behalf of United Energy

Jim Tsirikis  
Principal Engineer Distribution
