Dear Sir

**Letter of Support for Aldridge Traffic Systems COMO.P 14 Watt series
Luminaire on the National Load Table**

The City of Port Adelaide Enfield fully supports the inclusion of the Aldridge Traffic Systems COMO.P 14 Watt Luminaire on the National Load Table.

The City of Port Adelaide Enfield has the intention to use the Aldridge Traffic Systems COMO.P 14 Watt Luminaire for the P Category lighting upgrade project at The Strand Lightview. This LED luminaire will also be considered for any future council projects.

Council requests the above products to be included on the National Electricity Market (NEM) load table through the Australian Energy Market Operator (AEMO) for use in projects throughout the Port Adelaide Enfield domain.

Yours sincerely
