34-36 Adderley Street East
Lidcombe NSW 2141

Dear Remko,

Submission of GE Evolve P Cat for inclusion on the National Electricity Market Load Table

Essential Energy supports and intends to use the following GE Evolve P Cat LED streetlight from Connected Light Solutions and ask for it to be included on the AEMO as unmetered Connection Points in accordance with the unmetered guideline.

- **GE Evolve P Cat 14W.**

Regards,

Andrew Close
