Re: Submission to include the Sylvania-Schreder Kensington MK2 in the National Electricity Market Load Table.

Dear David,

Sylvania-Schreder request that the Sylvania-Schreder Kensington MK2 16W luminaires be granted approval for inclusion to the National Electricity Market Load Tables for Unmetered Loads.

The total power consumption and configurations are listed in Table 1.

Product Description	LED Count	Total Power Consumption Watts ¹	Test Report No.
Kensington MK2 16W	18	16.40	220534LCP

Table 1 – AEMO unmetered load table inclusions

This product is a high-performance luminaire specifically designed for Australian and New Zealand minor road lighting requirements and comply to SA/SNZ TS 1158.6:2015 where applicable.

The Kensington MK2 has internal identification labels and external marking meeting all requirements of SA/SNZ TS 1158.6:2015.

Our submission is supported with the following documents:

- 1) Supporting letter
- 2) NATA laboratory test reports as per Table 1
- 3) Product datasheets

We trust this submission meets with your approval requirements. However, should there be any queries or if you require further information, please don't hesitate to contact me.

Regards,

John Bedding
