

20 March 2023

Mr David Ripper
Senior Metrology Engineer
Australian Energy Market Operator LTD
500 Collins Street
Melbourne, Victoria 3000

Dear Remko,

Submission of GE Area Lighter XL for inclusion on the National Electricity Market Load Table

Essential Energy supports and intends to use the following GE Area Lighter XL LED floodlights from Connected Light Solutions and ask for it to be included on the AEMO as unmetered Connection Points in accordance with the unmetered guideline.

Device Type: GE Area Lighter XL – 500W

Model #: ALXLUASN500AWBHSG0A

Yours sincerely,

Adele Finch
