

Subscribing to new Gas Data Model files

This topic explains how to subscribe to new Gas Data Model files after you have upgraded your Data Interchange environment.

To subscribe to new files:

1. Access Data Subscription.
2. Click **Subscribe to Files**. For help, see [Figure 1 on page 1](#).
3. Select **Filter by Package**.
4. In the **Collection** drop-down list, select the new **Gas Data Model** version.
5. In the **Package** drop-down list, select the **Gas Bulletin Board Data** or **Gas Supply Hub Data** and click **Refresh**.

6. In the grid, do one of the following:
 - a. Select **Data Model** to select all Data Model files you are not subscribed to.
 - b. Select each file individually.
7. If you want to see more detail about the files, including the Data Model file identifier, click **View Detail**. For more information about the detail displayed, see [Table 1 on page 1](#).
8. Click **Subscribe** to have the files delivered to your participant folder on the Participant File Share.

AEMO recommends subscribing to all files and activating or deactivating them so you have greater flexibility to access historical data.
