

Registration for AEMO's insights webinar on the 2020 Integrated System Plan (ISP)

Dear Stakeholders,

Following the launch of our 2020 Integrated System Plan (ISP) on 30 July, AEMO will be hosting an insights webinar for all interested stakeholders on **Monday 2:00 - 4:00 PM (AEST) 24 August.**

The webinar will include a short presentation of the ISP's key messages, and a question and answer session with the ISP technical team. This session will allow stakeholders to gain a deeper understanding of the modelling outcomes, and draw out insights on areas of specific interest.

The webinar will be held online via Webex. To register, please click on this link (or copy the URL into your browser):

<https://aemo.webex.com/aemo/onstage/g.php?MTID=e6b1fa238392b9599ba1559b1c57736ef>

When the Webex window opens, enter your name and email address in the boxes on the RHS and then click 'Register' at the bottom of the screen. You should then receive an email with the link to use on the day. If you have difficulty with registering or with logging into the meeting on the day please call our helpdesk on 1300 236 600.

For any enquiries, or to be added to the ISP distribution list, please contact us on isp@aemo.com.au. For information on the Final 2020 ISP and previous consultations, please head to the [AEMO website](#).
