Section	Description	Participant	Comments
102.3 Suspended Retailer/Insolvency Official Obligations	Update of 'Table 102 A: Customer and Site Details to Provide to RoLR'	AGL	<p>AGL supports this amendments to Table 102A.</p> <p>AGL notes that the Gas consultation for the gas equivalent customer data file is currently under consultation – see attached comparison.</p> <p>Since these files are both being consumer by a RoLR retailer, AGL suggest that it would be worthwhile for the structures of the data files to be aligned as far as possible – eg fields, formats etc.</p> <p>AGL also suggests that the specific data fields should be aligned to the data types – eg move e-mail address to being part of the customer data block.</p> <p>AGL also notes that some customer data fields are being proposed for the gas file which are not part of the electricity file – eg Concession card. AGL suggest that these files be aligned as far as possible.</p>
102.4 LNSP Obligations	Update of 'Table 102 B: LNSP's Customer and Site Details to Provide to RoLR'	AGL	AGL supports these amendments to Table 102A.
104.4 LNSP Obligations	Editing of section (b), (e) an (g)	AGL	AGL supports these amendments to Table 102A.
104.5 RoLR Obligations	Addition of clause 104.4 (g) in section (b)	AGL	AGL supports these amendments to Table 102A.
