1 Welcome

- Alex Gillespie (Chair) opened the meeting with an acknowledgement of country.
- Stakeholders were reminded that the session is being recorded.
- Alex introduced Sandy Ng from AEMO who presented on the proposed amendments to the WEM Procedure (Procedure).

2 WEM Procedure: Mid Peak Electric Storage Resource Obligation Intervals

- Sandy provided the APCWG with some background on the reason for the changes.
- AEMO is amending the Procedure to align with changes to the WEM Rules. The proposed amendments:
 - reflect a new focus on Mid-Peak Electric Storage Resource Obligation Interval (MPESROI);
 - include changes to Long-Term PASA arrangements (via an amended definition for ‘Peak Demand Period’), to provide for initial MPESROI values;
 - set out circumstances that allow AEMO to determine changes to previously published MPESROI; and
 - reflect updated consultation and publication requirements.

- Consultation was released on 22 May 2024 with submissions closing on 20 June 2024.
- More information can be found on the [WEM Website](#).
- Attendees were invited to ask questions or provide feedback. While no questions or feedback were provided at the meeting, the Chair reminded attendees that AEMO can be contacted directly to discuss the proposed changes.

3 Next Steps and Other Business

- Stakeholders are invited to submit written responses to the Procedure consultation to wa.marketdevelopment@aemo.com.au and WA.FutureSystemDesign@aemo.com.au by 5pm on the 20 June 2024.
- There being no other business, the meeting was closed at 10.15am.
