

Notice to Participants on the STTM Procedures version 3.0

This notice advises all Registered Participants and Bulletin Board Participants (Participants) that consultation for changes to the Short Term Trading Market (STTM) Procedures under the expedited procedure change consultative process prescribed in Rule 135EF of the National Gas Rules (**NGR**) concluded on 22 February 2011.

The procedure change relates to a new section:

- **Section 7.5 Ranked Deviations Quantities Information**

There was one response received on the implementation and impact report (I&IR) from TRUenergy which supported the proposal.

AEMO is therefore giving notice that:

- it has decided to make these procedures; and
- these procedures will be made effective as of 31 March 2011.

STTM Procedures version 3.0 have now been published on the AEMO website and can be located at the link below.
