

16 September 2011

**Commissioning of New Sydney Hub Custody Transfer Point –  
Albion Park Receipt Point**

This notice is to advise that Jemena Gas Networks (JGN) is preparing to commission a new Custody Transfer Point at Albion Park in NSW between JGNs Wilton-Wollongong Network section and the Eastern Gas Pipeline. JGN advise that the Albion Park receipt point is expected to be operational from mid October 2011.

Once operational the Albion Park receipt point will become a Custody Transfer Point at the Sydney STTM hub.

AEMO will issue a notice under clause 2.2(e) of the STTM Procedures to define the Custody Transfer Point and the date on which that point forms part of the Sydney STTM Hub.

AEMO anticipates that the notice will designate the Custody Transfer Point as:

The Albion Park Custody Transfer Station from the STTM pipeline identified on the Natural Gas Services Bulletin Board as the Eastern Gas Pipeline with PlantID 520047.
